A large grid-based diagram, likely a musical score or technical drawing, featuring various symbols such as circles, hearts, and lines. The grid is divided into four quadrants by a vertical line labeled "Сердце" (Heart) and a horizontal line labeled "10".

The diagram consists of a grid of 20 columns and 20 rows. The top row contains a sequence of 18 circles, each with a smaller circle inside, followed by a star symbol. The bottom row contains a sequence of 18 circles, each with a smaller circle inside, followed by a star symbol. The central vertical line is labeled "Сердце" and has a downward-pointing triangle at the top and an upward-pointing triangle at the bottom. The central horizontal line is labeled "10" and has a leftward-pointing triangle on the left and a rightward-pointing triangle on the right.

The grid is filled with various symbols, including circles, hearts, and lines, arranged in a complex pattern. The symbols are distributed across the grid, with some appearing in clusters and others in isolation. The overall layout is symmetrical and highly detailed.
